Instrument Hire-to-Buy Program

A range of concert band, strings and contemporary instruments are available for hire from the College at low cost. This is a fantastic way for students to trial an instrument without the costs of purchasing your own.

NOTE:

* If there is an excess of students interested in any one instrument, i.e. drums, auditions will be held in order to find the most capable players.

** Unfortunately there is no singers, guitars, ukulele, or piano in a concert band.
